Has your school's PE and sport premium spending achieved any of the following?	An increase in staff training and continued professional development (CPD)
Has your school's PE and sport premium spending achieved any of the following?	Other
How has your school's spending improved PE attainment?	CPD for the delivery of dance lessons has increased the confidence and skills of the children in different areas of dance. A sport's coach has ensured the children have specialised teaching, allowing for them to improve their skills and develop knowledge of different sports.
How has your school's spending increased pupil participation in extra-curricular activities?	By subsidising the after school sport's clubs, more children were able to take part. We ensured we had a variety of clubs over the year, including some which are not as common as others. Children have enjoyed trying out different activities and develop their skills in these. Children have also had the opportunity to represent the school on different occasions and for different sports which has raised the profile of PE and sports across the school.
How has your school's spending increased staff training and continued professional development (CPD)?	Dance CPD has improved staff confidence in the teaching of Dance and given them the tools needed to be able to deliver sequences of lessons which build on skills needed throughout the dance curriculum. There is now a strong grounding in basic movements and skills, with a greater variety of equipment used

which provides greater challenge and independence.

What other impacts have you identified from your school's PE and sport premium funding?

The installation of Activall Boards has increased the level of children's physical activity.
Sport's week activities have raised the profile of PE across the school.
The use of MDMS has provided structured and positive play for all.

Section 6 of 9 - sustainability

How is your school going to ensure that the improvements made through its spending of the PE and sport premium are sustainable?

By training staff on different aspects of the PE curriculum through watching and team-teaching with experts, teachers will have the knowledge and confidence to teach these lessons themselves in the future. This will help ensure high quality lessons for all.

Section 7 of 9 - swimming

What percentage of pupils in your current year 6 cohort can swim competently, confidently, and proficiently, over a distance of 25 metres? **45**

What percentage of pupils in your current year 6 cohort can use a range of strokes effectively (e.g. front crawl, backstroke, and breaststroke)? **45**
