

Spoken Language: The children will be orally rehearsing the stories 'Little Red Riding Hood' and 'Hansel and Gretel' – re-telling the stories and using actions to help them.

Writing: The children will be building on their skills writing labels, captions and sentences using 'Little Red Riding Hood' and 'Hansel and Gretel'.

Engage: We will engage the children to start our topic by examining a Little Red Riding Hood crime scene.

Maths: The children will work on place value, addition and subtraction - appropriate to their learning stage.

Computing: The children will be learning to collect data – they will count, describe and compare groups of objects and then answer questions.

Science: The children will be learning about materials – sorting them, thinking about their properties and purposes (e.g. glass is transparent, so it is suitable for windows).

PE: The children will be learning football and netball skills.

Enchanted Forest Topic Overview

Geography: The children will be looking at maps of the school and local area to the school. They will be creating their own maps and following them as well as learning about map related symbols.

DT: The children will be learning how to weave paper, evaluate materials and select the best materials for the purpose of making a basket that can carry a fairy cake.

PSHE: We will use our Jigsaw scheme and our topic will be 'Being me in the world'.

Music: Mrs Young will be teaching our music sessions with the topic name 'What can we play?' Looking at timbre and texture.

RE: Our topic will be 'Thanking'.

Things to explore with your child!

PE Days

Octopus –
Wednesday

Thursday

Home Learning:

Home learning will be sent – there will be spellings, levelled reading books and school library book for sharing. Your child can also access numbots or TTRS.

Reading:

Our expectation is that every child reads at home with an adult.
Reading books will be changed on a Friday.
They will also read with an adult in school every week. Please use the reading diary to record your reading – this can be a smiley face with the date and title.

Writing:

Encourage children to mark make, practice letter shapes or colour.

Maths:

Practise counting in 1s forwards and backwards from 0-30, then move on to 0-50 or even 0-100.

Practise forming numbers correctly.

Science:

Talk about materials at home (e.g. wood, glass, plastic, metal) and why that material may have been chosen.

Talk about and explore waterproof and not waterproof materials.

HOME LEARNING PROJECT IDEAS

Octopus
Enchanted
Forest

Re-tell the
story of Little
Red Riding
Hood orally,
with pictures
or with
writing.

Demonstrate
some football
or
netball skills.
Create a video
to share.

Draw a map
from your
house to
school.

Complete
some weaving
or threading.

We will provide
opportunities to
complete these within
school time also.
